

Latika Vines

Biography:

Latika Vines is the Founder, Career Strategist, and Coach of Visionary Initiatives, LLC, equipping working moms in the Federal Government with the clarity, confidence, and control to successfully balance life and have a fulfilling career; and providing organizations with Career Growth Workshops and Tools to develop their employees, increase employee satisfaction and enhance retention.

With 15 years of career development and workforce development experience, combined with being a working mom of four kids, Latika is on a mission to help moms become the Boss of their Life & Career. Additionally, she is a Podcast Host of her self-titled show, 3x Author, Visionary Speaker, and founder of The Vision Women Network.

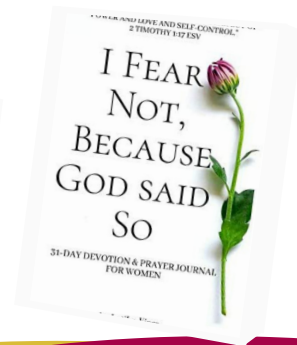

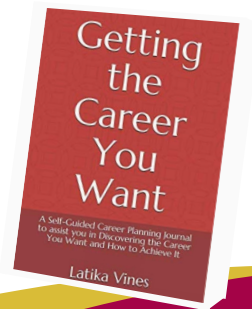

Whether you are creating your own work and life balance through operating your own business or mastering it in your government job, Latika provides you with the tools to navigate and thrive in your life and career as a Boss Mom.
